SUPPLEMENT TO I.D.S. OF 21 JUNE 2005

Sir:

Applicant submitted a European Search Report in a corresponding patent application in the European Patent Office in a US Information Disclosure Statement under Rule 1.97(b) on 21 June 2005.

The European Search Report cited five literature references, but supplied only abstracts of the literature cited. These abstracts were supplied to the US Patent Office in the I.D.S. of 21 June 2005.

Examiner Price, in a telephonic interview on 2 Sept. 2005, requested the full text of these previously cited literature references, which are presently supplied to supplement the I.D.S. of 21 June 2005.

Respectfully submitted,

Geoffrey L. Chase
